With reference to the Assistant Secy's note[x] dt 9.11.08 in med file no. 30-08 at nos 5 to 8 & the 2d Councillor's order dt 17.11.08 B. nov'08 it is stated that in view to find out how the practice of notifying in the gazette, promotions of Hospl Asstts from class to class

originated and when, G. J. file no 162-92 relating to the appointments and promotion of Hospl Assts and G. J. file no 347-92 re: ~~procedure~~ malaying examinations to be held for Hospl Assts for promotion ~~from class to class~~ were gone through. There ~~was~~ appears to be no Govt order requiring the publication ~~of~~ in the Gazette of notifications regarding the promotions of Hospl Assts. The practice however has been, as understood from the contents of the files referred to, generally to notifying in the Gazette promotions of Hospl Assts from one class to another & also confirmation of Hospital Assts appointed on probation, while no notn is published in the case of Passed medical pupils ~~from~~ appointed on probation as 3d Class Hospl Assts. In the case of individuals who were entertained in the Medical Service as Hospl Assts to start with through on probation no notifications were being published in the Gazette.

In this connection the following points may also be noted:—

(1) On a draft notn (Lists for appl) re promotions of certain Hospl Assts from

one class to another, Mr. T. Ananda Rao then Chief Secy noted as follows under

" I do not think this notification is necessary. Hospital Assistants are not gazetted officers. The draft-note did not issue but an order in proceedings form. Such the promotions in question was issued instead. Subsequently, however the practice of notifying promotions of Hospl. Asst, in the Gazette was some-how or other presumed has been continued up to date.

(2) that no specific order of Govt has been issued in the matter of notifying promotions &c of Hospl asst may be made out from the office note 2/16. 12. 1893 to

Flag (E) ~~which is as follows~~ which is as follows:-

" It is the practice to notify appointment of Hospl Asst only when they are confirmed".

Analogous to notifications published in the Gazette Concerning Hospl Asst the appointments, promotions &c of Lib. Registrars are also notified in the Gazette Branch III may, if appd, be consulted as to how the practice originated and the reasons
